Work Logs

Student name: Wendy

Oct 5 – Oct 11

Date	No of Hours	Description of work done
Oct 8, 2025	30 min	Group meet for user requirement gathering
Oct 11, 2025	2 hours	Working on survey forms + forming question+ sharing form to friends (women)

During this week both of us collaboratively focussed on gathering requirements for the project. Initially we sat together and discussed the approach we will follow to gather requirements. We discussed which data will be required by potential users and designed the survey questionnaire accordingly. We came across some questions where users might not provide clear responses. As a solution we tried our best to provide responses in the questionnaire itself so that the users can chose suitable ones which will reduce confusion.

We had a very low number of participants which made it hard for us to distinguish the expectations of potential users. Hence, we extended the period we scheduled for the response collections and additionally we shared the survey with more people.

Oct 5 – Oct 11

Date	No of Hours	Description of work done
Oct 8, 2025	30 min	Group meet for user requirement gathering
Oct 11, 2025	2 hours	Working on survey forms + forming question+ sharing form to friends (women)

Oct 12 – Oct 18

Date	No of Hours	Description of work done
Oct 13, 2025	3 hours	Looking at the analysis of the trend of the answers in the survey form + group meet

During this week analysed the results from the survey and discussed the features of the application. Worked on Planning interfaces for the application. It felt bit challenging to decide features of the application as different users had different requirements. We designed rough sketches in order to match all the requirements.

Oct 19 – Oct 25

Date	No of Hours	Description of work done
Oct 22, 2025	2 hours	Worked on Progress Report 1
Oct 24, 2025	1 hour	Explored Figma
Oct 26, 2025	1 hour	Explored Figma

During this week mainly focussed on the Progress Report 1. Collected the worklogs and described each and every task to add clarity for what was been done so far.

Additionally, explored Figma. Got the support from YouTube to go through some videos where Figma usage is being taught. Faced challenges in understanding some concepts as Figma was totally new to me. I used ChatGPT to clarify my doubts. It provided me additional knowledge too.

Oct 26 – Nov 1

Date	No of Hours	Description of work done
Oct 29	1	Studies how to write Personas
Oct 30	2	Wrote two Personas

During this week I studies how to write proper Personas. Analysed the results from the survey and wrote two personas for the project. It was challenging to prioritize user scenarios for the personas. As a solution listed all possible scenarios and prioritized them based on the relevance to the project and the frequency they occurred in the survey.

Nov 2 – Nov 8

Date	No of Hours	Description of work done
Nov 2, 2025	2 hours	Analyzed the survey results and worked on visualizing the collected results
Nov 3, 2025	1 hour	Worked on finalizing the contents of the document

Spent this week on creating the requirements document. I was bit challenging to merge the open ended questions as different participants had different perspectives. Had to spend time on deciding how to combine all of those to apply those in the application.

Nov 9 – Nov 15

Date	No of Hours	Description of work done
Nov 10, 2025	1 hour	Designed interfaces in Figma
Nov 12, 2025	1 hour	Designed interfaces in Figma

I worked on designing interfaces in Figma during this week. There were features which I didn't know how to design in Figma. I took support from ChatGPT to learn how to do those.

AI Use Section

AI Use Section AI Tool Name	Version, Account Type	Specific feature for which the AI tool was used
ChatGPT	GPT-5 Free Account	To learn about Figma
ChatGPT	GPT-5 Free Account	To generate images for Personas
